Whether you love campfires, challenges, creative workshops, or just hanging out with other scouts, this is your camp!

Behind the scenes, a team of fantastic volunteers has been working for months to make this camp one to remember. From planning the program to setting up the campgrounds, they've put in an incredible amount of time and energy and we're so thankful for everything they've done.

As camp leader, I honestly can't wait to welcome each and every one of you. I'm so excited to meet you, hear your stories, and experience this amazing adventure together.

So pack your bags, bring your scout spirit, and get ready to meet new friends, try new things, and make memories that will last forever.

# PROGRAM AND ACTIVITIES

The following information will give you a good overview of the program and activities.

## PLAZA

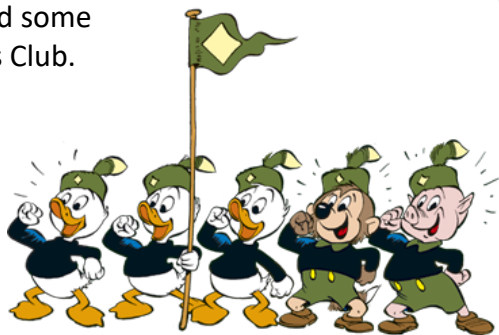

The InterJamboree-Plaza is a large place, where you can find several interesting things. There will be various activities to do such as rope knotting, T-shirt screen printing, pyro engraving, etc.

The Dutch scout shop will offer typical scout equipment, badges, and other stuff and you can visit a Scout Museum.

- Bring your own **T-shirt** to be screen printed! (cotton is preferred) There will be no screen printing on uniforms!

## SCOUTSCLUB

You can buy cold drinks and some refreshments at the Scouts Club.

## SCOUTERS CLUB 18+

A special (and magical) place for 18+ only!  
Let's all meet there, catch a breath, listen to some music and chat. This is a space just for you, where you can meet scouts from other countries, share your stories and interests. Only open at the times indicated.

## ONSITE ACTIVITIES – on Saturday

You will participate in activities and games which will be located on the Sports fields Plaza and the whole campsite. All in the theme “Fast and Magical”

You will be connected with mixed international groups, so you can get an international experience.

For one game you need **4 milk carton caps!** For another game you need an **empty soda bottle!** Bring these from home.

## POTLUCK DINNER – on Saturday

Of course, an invitation to a Tasty Potluck Dinner! 🎉

Put on your apron and put your best dish on the table, because it's time for our Potluck Dinner! 🥗🍝🍰

On Saturday evening, we will transform the Interjamboree into a festive tasting of all the goodies we bring together. (make a dish for at least as many people as the size of your own group)

Everyone brings **something to share** - a favorite (local) recipe, a family recipe or just something you like to make. Together we will create a delicious buffet full of surprises and everyone will eat their bellies full!

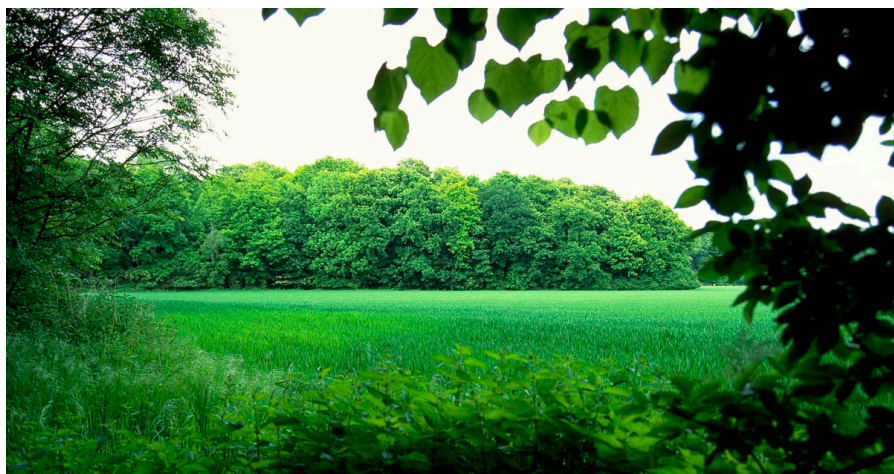

## SERVING THE COMMUNITY

Every troop will during the Hike take part in service for the community so we can “Try and leave this world a little better than you found it” as B-P once said. Each participant has already made preparations for this on Friday or Saturday at the plaza.

## HIKE – on Sunday

Each troop will go on hike experience. (in mixed international groups of app. 8 – 10 participants). It's going to be a tough hike!. During the walk, participants discover the beauty of the area around Sittard-Geleen.

For the hike it is important to bring a canteen filled with water, a bag lunch, Personal ID, raingear and head gear if needed, first aid kit and sun screen. Also remember to bring good walking shoes!

# SUBCAMP INFORMATION

There are 2 subcamps during the InterJamboree.

On subcamp 1 are the blue and yellow participants; on Subcamp 2 are the red and green participants.

The First Aid station is located on the side of the sports club building towards the podium, it will be marked with a prominent sign. ## DAILY INFORMATION

Daily information can be found on the notice boards.

## LISTENING EAR

If you want to talk to someone about things during the camp that you want to get off your chest, but you don't really know what to do with it, we have a listening ear at the camp. Ask the camp organization or the First Aid team to put you in touch with this person.

## IST / INFO TENT

The IST / INFO tent is an information point near the Plaza area. Participants and IST members can contact us here for questions regarding the camp events and the program. This is also the point where Lost and Found items can be reported.

## WHAT IS A CAMP WITHOUT ITS OWN YELL?

As a new event, we are looking for the perfect yell and who can come up with that better than our participants? Of course, hard work is rewarded, so the best yell wins a prize that will be awarded during the camp.

What do you have to do to win?

Come up with a sublime yell and write it down on paper. Take a video in which you demonstrate your own yell. That way we know how it goes and of course there are bonus points for flashy moves!

1. Send your entry to [interjamboree@intercampnederland.nl](mailto:interjamboree@intercampnederland.nl) and don't forget to mention your contact details and the group you are coming to InterJamboree with.
